Wow! Two sets of twins born to two  
New Hope Mothers in 2009!  
Welcome Terija and Terila,  
Bryce and Isabella!

December 2009

Dear Faithful Friend,

**Merry Christmas!** May you and your family be blessed now and throughout 2010! What a joyfilled year this has been - a year of caring and nurturing! New Hope's mentors have worked very hard with their young first-time single mothers and their babies this past year. Great progress has been made to obtain GED's, post-high school training, and college credits. All of our young women know that their success will take a healthy dose of dedication, motivation, organizational skills — and money. We relish their letters telling us that they never could have gotten this far without the support of New Hope; we tell *them* that *we* could never fulfill their goals without the help of *you* - our generous sponsors.

And the generosity pays off in so many ways: our being able to offer our young women vocational and spiritual counseling; they learn to know what career will bring them joy and what spiritual path they should follow to bring them serenity and strength. On the more mundane side, a small subsidy means they can afford bus passes or car insurance and gas for their often unreliable and old cars. Others need help finding decent day care and the means to afford a safe and loving environment for their babies while they work or attend classes.

**There is no question that we have been affirmed 100 times over in 2009:**

- We write out a check for over \$600.00 for college textbooks, and we receive two generous checks from donors that cover the amount!
- We find the right apartment for a mom and her baby within a short distance from her courses at Bergen Community College and she receives a generous grant so we only have to subsidize her rent to the tune of \$150.00 per month.
- The money saved is spent on a thorough update on M.'s Honda making it capable of another three-four years of service while she works and goes to college.
- Our Treasurer obtains laptop computers at a great discount from IBM and they are given to our motivated young women so they can take courses online, a great time and energy saver.

This year has been so busy that we haven't "pestered" our past donors with requests but we continue to rely on you for our dreams, small and large. Your tax-deductible sacrifice of \$15, \$50, \$500 - or whatever God leads you to send - will be like manna from Heaven! (OVER)

You should be so proud of all you have done to provide a viable alternative-to-abortion program. May God bless you for your past and future generosity and prayers.

Carol Lavis

Administrator, New Hope, Inc.
